HEALTH, SAFETY & ENVIRONMENTAL POLICY

Description of Organization

Dudubrook Quilting Loft (Pty) Ltd (the Company) is primarily a Quilting company conducting business in the Quilting sector.

Policy

Management regards the Health and Safety of employees as well as the Environment to be of vital importance. Our primary objective is therefore to :”Achieve and maintain the highest practicable level of Health, Safety and Environmental control in all areas of the Company’s operations.”

To this end the Company will ensure that :

- Matters affecting Health, Safety and the Environment are accorded high priority.
- Adequate precautions are taken to prevent injuries, incidents and damage to the environment.
- The provisions of all relevant legislation as well as the HSE Management System are complied with.

Occupational Health, Safety and Environmental Objectives

To achieve our goals it is necessary to :

- Train our employees in Occupational Health, Safety & Environmental issues so as to
 - ensure competence in the workplace,
 - be aware of the potential hazards implicit in their work activities
- Manage Occupational Health, Safety & the Environment to acceptable standards.
- Enforce Health, Safety and Environmental measures with discipline in the workplace.
- Protect the public and persons other than Company employees from Health and Safety hazards associated with our work.

Responsibilities

- Achievement of these objectives is and will be the responsibility of all management structures.
- Duties will further be assigned to Company personnel with the aim of managing Health, Safety and Environmental procedures.
- All employees are further tasked to take reasonable care for their own Health and Safety and of other persons who may be affected by their acts or omissions.
- The commitment of Management and Employees to these objectives will ensure high standards of Occupational Health, Safety and Environmental control.
